

Lambda Tau Chapter of Kappa Kappa Psi Strategic Plan

Adopted September 09, 2010

Vision:

Lambda Tau is made up of strong musicians who lead with positive attitudes and a dedication to service. We hold ourselves and each other to high standards as we foster brotherhood and enrich the community through music.

Mission Statement:

Our mission is to promote Central Michigan University bands by honoring outstanding band members, building a community of musicians, and developing leaders and role models who provide service and support to the needs of the bands.

Core Values:

- **Excellence** – We will do our best in the way we work, in the way we carry ourselves, and in everything we do.
- **Accountability** – We will recall our ritualistic vows, take responsibility for ourselves, our actions and take ownership in our chapter.
- **Sincere Acts of Service** – We believe that the results of our acts of service will benefit our chapter, band and university; and the acts of service will be performed with a positive and sincere spirit.
- **Brotherhood** – We believe that respect, cooperation, and a sense of community create a fraternal bond that will benefit our band program, chapter, and individual brothers.

- **Musicianship** – We will support music by being individually prepared to contribute in both rehearsal and performances and by encouraging others in their musical endeavors.
